Dear Mr. Sangani:

We are pleased to inform you that we have completed review of your application and determined that your firm qualifies for certification as a Disadvantaged Business Enterprise (DBE). The New Jersey Department of Transportation conducted the review on behalf of the New Jersey Unified Certification Program (NJ UCP).

Your certification will remain in effect provided that your firm continues to meet the eligibility criteria established by Federal Regulation Title 49 CFR Part 26. You must provide an affidavit and supporting documentation **on an annual basis** affirming that there have been no changes within your firm that would affect your current eligibility as a DBE. It is your responsibility to notify this office in writing within 30 days of any changes. Failure to do so will effectuate a process which may result in your firm's decertification.

The following table lists the North American Industry Classification System (NAICS) code(s) and description(s) that have been assigned to your company in accordance with the service(s) your firm render(s).

NAICS CODE	DESCRIPTION
334412	Bare Printed Circuit Board Manufacturing
334418	Printed Circuit Assembly (Electronic Assembly) Manufacturing

Your firm has been added to the NJ UCP Directory. The Directory can be accessed online at <http://www.njucp.net/>

On behalf of the NJ UCP partners, the New Jersey Department of Transportation welcomes you as a member of our DBE family. If you have any questions or concerns regarding the NJ UCP or certification issues, please contact our office at (609) 530-3882. Congratulations!

Sincerely,

A handwritten signature in cursive script that reads "Lydia Harper".
